

Certification of Compliance

Source and Use of Program Funds

Federal regulations governing matching costs for the Food Stamp Employment and Training program are found in Volume 7 of the Code of Federal Regulations, § 277.4(d).

I hereby certify that all funds used to support expenses submitted for federal match related to the administration and delivery of services outlined in this program proposal will be non-federal in origin and not claimed as match for any other federal program, as required by federal regulations governing the Food Stamp Employment and Training Program.
